**To whomsoever it may concern**

This is to confirm that Mr. Kushal Adhvaryu has been worked with us in past and we are extremely happy with her performance. He has not only taken necessary management decisions, but also taken leadership as and when required. I strongly recommend him as a capable, consistent and well communicated person to work with.

**Projects Worked:** India Film Project, India's Largest Filmmaking Competition

Thanking you,

**Ritam Bhatnagar,**
